

WFPR-LP, FM License Renewal

by Pete Fasciano, Executive Director 01/23/2022

On December 27th, 2021 Franklin Community Cable Access, Inc., dba Franklin TV and Franklin Public Radio as the licensee of wfpr-lp, on 102.9 FM in Franklin, filed an application with the Federal Communications Commission to renew its FM broadcast license. Members of the public wishing to view this application or obtain information about how to file comments and petitions on the application can visit the FCC's website: www.fcc.gov/stationsearch, to find wfpr-lp's filed application. For more information, please email info@wfpr.fm or call 508-541-4118.

Pending license renewal, the public may file a Petition to Deny or an informal objection against the renewal. Positive comments about a broadcaster's service may also be submitted. Persons may respond via the FCC's database, LMS on the web. Alternatively, persons may submit paper copies to the Commission. For paper copies, please include an original and two copies of any filing. An additional copy of any filing may also be mailed to:

Franklin.TV
23 Hutchinson St.
Franklin, MA 02038.

All USPS First Class Mail, Express Mail and Priority Mail should be addressed to:

Office of the Secretary
Federal Communications Commission
445 12th Street, SW,
Washington, DC 20554
Attn: Audio Division, License Renewal Processing Team

Additional Suggestions for Filing. To help the staff expeditiously associate a Petition to Deny, informal objection, or positive comment with the proper license renewal application, the pleading should prominently identify:

The radio station's call sign: WFPR-LP
The station's facility ID number: 194829
The license renewal application: 0000177961

This information is available in the LMS Public Search on the Commission's Web site, and should be listed on the first page of your submission. The filing must also state whether it is a Petition to Deny, Informal Objection, or a Comment. If a cover sheet is used, it should be attached to each copy of the pleading. Failure to include this information may delay associating a pleading with a renewal application.

And- as always -
